

## Election for NUT Deputy General Secretary 2015-2020

**112**  
nominations

Kevin has worked with Christine Blower to make the NUT stronger and more united.

# Re-elect Kevin Courtney

### A stronger, united NUT can:

- cut teacher workload;
- stop accountability crushing teachers;
- improve education;
- win a fair pension and retirement age for all teachers, including supply teachers – 68 is too late;
- build confidence amongst our Reps and school groups;
- make teacher unity a reality.

**“Kevin is the candidate with the most consistent record of working with the other unions. He is best placed to help us work more effectively with the NASUWT and the ATL.”**

**MAX HYDE, NUT National President**
